TERMS AND CONDITIONS Used Equipment. Lessee acknowledges that the Equipment may be a used tool and may be cosmetically flawed. However, Lessor warrants that the Equipment, whether new or used, will be in proper working condition when leased to Lessee. Should Lessee discover that the Equipment, as received, is not working properly, Lessee agrees to notify Lessor pursuant. Except as set forth in Lessor's representations and warranties above, Lessee hereby assumes and shall bear the entire risk of loss and damage to the Equipment from any and every cause whatsoever. No loss or damage to the Equipment or any part thereof shall impair any obligation of Lessee under this Lease. In the event of damage of any kind whatever to the Equipment, Lessor may: (a) charge Lessee's credit card for the full cost of repair; and (b) repair the Equipment using a vendor at Lessor's sole discretion. In the event the Equipment is damaged beyond repair or is lost, Lessor may: (a) charge Lessee the full replacement value of the lost or damaged Equipment. In addition to repair or replacement fees, Lessor may charge Lessee's credit card for a "Loss of Use Fee" in the event Lessee did not purchase a damage waiver at the time of the initial rental order. "Loss of Use Fee" is equal to the daily rental fees Lessor would have been entitled to receive for the Equipment had it not been damaged or lost.
